

Dan Panorama Tel Aviv

The Dan Panorama Hotel offers easy access to everywhere you want to be. Across the street is the Mediterranean sea and within minutes you find yourself on an inviting sandy beach with warm and clear waters. For a truly Mediterranean experience, explore the Carmel market - one of the largest open markets in Israel that has a wide variety of seasonal fruits and vegetables as well as meats, fish and baked goods. Also nearby is the Neve Tzedek neighborhood which was the first Jewish neighborhood built outside of the walls of Jaffa. Neve Tzedek has a village feel to it, filled with small alleyways and boutique stores to peruse. A leisurely stroll along the waterfront promenade to the north will lead you to the Tel-Aviv Port. The Port is the city's newest entrainment hub and has outstanding restaurants, shops and nightclubs. The promenade to the south will take you to Jaffa which is famous for its association with the biblical stories of Jonah, Solomon, and Saint Peter as well as the mythological story of Andromeda and Perseus. Its ancient port has been in use since the Bronze Age and you can still watch the fishermen going out to sea.
