WELCOME

Dear Friend,

It is our pleasure to welcome you to The 3rd Immuno-oncological Meeting of the Israel Society for Cancer Research (ISCR) and the Israel Immunological Society (IIS), which will be held on April 17-18, 2024 in Beer Sheva.

The scientific spectrum will cover a wide collection of topics in experimental immunology and cancer research ranging from basic principles to translational breakthroughs.

Together with our colleagues in the academic committee, we assembled an excellent list of world-class speakers that will discuss key areas in innate and acquired immunity, immune-oncology, and clinical cancer therapy. Special sessions will focus on research hot spots, including Cytokines and the Immune Milieu, Immunotherapies of Cancer and Autoimmunity, Innate Immunity and Cancer, Immune and Cancer Checkpoints, Precision Cancer Medicine, Inflammation and Immunity, and Visualization of Immune Responses, featuring both basic and translational investigators.

The conference format is designed to bring together basic, translational, and clinical researchers and researchers working on developing new targeted therapeutics. Leading experts will present the latest achievements of multidisciplinary research dealing with drug action and resistance and highlight challenges that require a concerted multidisciplinary effort. The program will comprise Keynote Lectures, Plenary Symposia, and parallel Scientific Symposia, and will include many slots for selected talks and poster presentations with ample time for questions and discussion.

We trust you will share our excitement about the exceptional scientific content and venue. We cordially invite you to this unique conference and look forward to greeting you in Beer Sheva.

Please see this as a personal invitation to join the immunology and cancer communities in celebrating the achievements of immunologists, cancer researchers, and oncologists.

We trust you will share our excitement about the exceptional scientific content and venue. Detailed sponsorship packages are listed below this announcement. If your company has any specific requests or need please contact us at the email address indicated below. We cordially invite you to this unique conference and look forward to greeting you in Haifa.
